TODAYS SALE : C19 SI Thursday / 5 November 2020

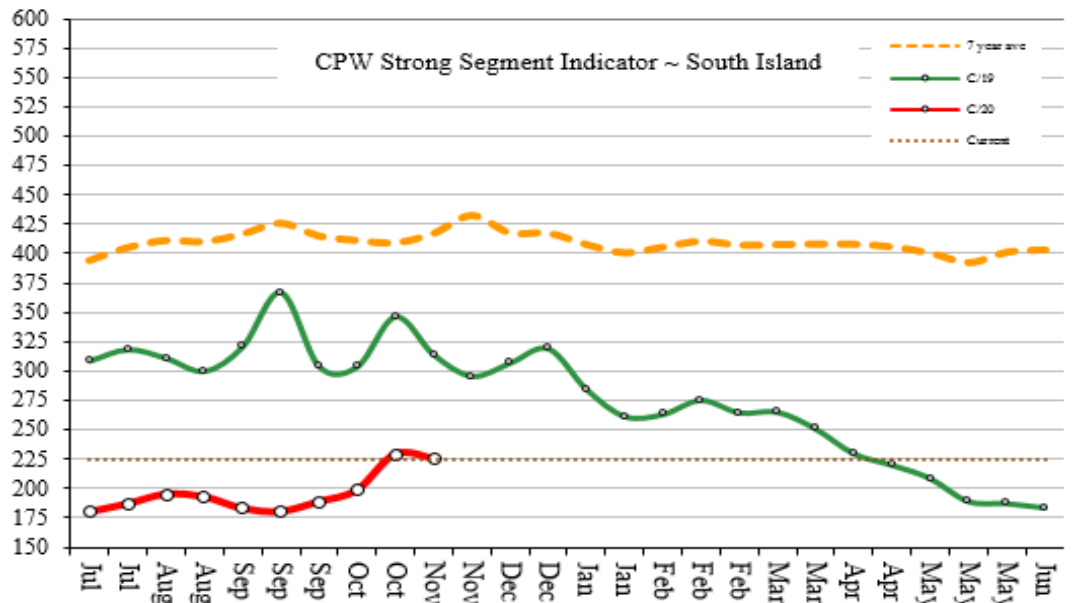

COMPARED TO : C17 SI Thursday / 22 October 2020

Crossbred prices were firm to slightly cheaper at today's South Island sale. Mid micron wools 24 to 27.5 micron were up to 5% dearer. Merino wools were erratic mainly due to the volatile markets in Australia recently. Business is slowing on the back of uncertain times through Europe and the United Kingdom which was evident at today's sale. Competition was well spread amongst a full bench of buyers.
